(*a*) Under the revised procedure that has come into force with effect from 1958-59, the sanction of financial assistance by the Centre is related to each group of schemes coming under each head of Development and not to each individual scheme. The release of the assistance is based upon the allotments initially indicated by the Ministry of Finance and the anticipated expenditure figures reported to the Central Ministries during the last quarter of the year. Since the Government of India pass their final payment sanctions with reference to the Finance Ministry's initial allotments and the resources available with them at the time of sanctions, the actual release of sanctions, the actual release of assistance falls short of our claims. These sanctions are however subject to final adjustments by the Accountant-General with reference to the reconciled figures of actual expenditure for the year. As far as 1958-59 is concerned, no final adjustment has as yet taken place regarding grants and loans for individual schemes or groups of schemes, though the total assitance has been rleased

subject to the readjustment between groups and heads of Development. According to our claims with the Government of India, we expect that the assistance for Minor Irrigation Schemes for 1958-59 would be :—

Loans.	*Grants.*
	(RS. IN LAKHS.)
67·92	29·97

The assistance expected for 1959–60 for Minor Irrigation group is—

Loans.	*Grants.*
	(RS. IN LAKHS.)
45·48	47·17

(*b*) The above assistance are not given against individual schemes but against a group of schemes as a whole. It is therefore not possible to state which part of the loan or grant is given against a particular scheme. The details of the schemes taken up under Minor Irrigation are however given in the annexure below.

(*c*) Please see answer to question (*b*) above.

Annexure.

1. The Special Minor Irrigation programme.
2. The Desilting-cum-Reclamation of Irrigation Tanks Scheme.
3. Filter Point Wells Scheme.
4. River Pumping Scheme.
5. Well Subsidy Scheme.
6. Lift Irrigation Hiring Scheme.
7. Lift Irrigation Hire Purchase Scheme.
